

CARDBOARD BLOWBACK DESERTEAGLE

BY **HOMEGUNMAKER**

BUILDING INSTRUCTIONS:

ALL PIECES ARE 1MM THICK, EXCEPT WHERE STATED OTHERWISE.

I USED CARDBOARD FROM SHOE BOXES, APROX. 1 MM THICK.

TO GLUE EACH LAYER I USE SIMPLE WHITE PAPER GLUE, AND

WHEREVER IT NEEDS TO BE HARDENED I USE SUPER GLUE.

THE MOVING PARTS AND THE PLACES WHERE THEY SLIDE HAVE TO BE SANDED TO BECOME SMOOTH.

TO PRINT THE TEMPLATES ONTO THE CARDBOARD, I PRINT THEM ON PAPER AND GLUE IT ON THE CARDBOARD

BEFORE CUTTING. EVERYTHING IS DONE USING SCISSORS AND A UTILITY KNIFE/BOX CUTTER.

FOR THE BULLET, I ROLL UP PAPER WITH SUPER GLUE USING SOMETHING CYLINDRICAL IN THE MIDDLE
